AMERICAN SINGLES GOLF ASSOCIATION — APRIL, 2005

Memorial Day Weekend 2005 at The Homestead Selling Out!

Announced just last month, Memorial Day Weekend at The Homestead in Hot Springs, Virginia is becoming ASGA's all-time, fastest sell-out in history! In the first 3 weeks, over 100 members registered for the event to be held May 27-30.

The Homestead is known for many things . . . presidential retreats . . . famous hot springs (used by Thomas Jefferson) . . . and great golf (the Cascade course is ranked a Top 50 in the U. S. and the Number One mountain course in the U. S.). The package we're offering ASGA members is "unheard of," according to some of our members in the travel business. This package is no doubt the envy of corporate travel planners, and to get such a great rate on Memorial Day weekend is a just a fantastic opportunity for our members.

The standard package includes three night's stay (based on double occupancy), two rounds of golf, cart & range balls, welcoming cocktail party (cash bar), two grand buffet breakfasts, BBQ Saturday after golf, awards dinner Sunday night, afternoon tea & nightly movies, 2 nights of dancing with the deejay, valet parking, taxes, tips, resort fees, use of fitness center & indoor mineral pool. Other packages are also available, see the registration form for more details (*included with this newsletter or online at SinglesGolf.com*). Those registering by April 15 receive an ASGA Logo'd golf shirt, a \$28 value!

How to Register

The easiest way to register for the Memorial Day weekend event is to contact ASGA at 1-888-GOLFMATE (1-888-465-3628) and give us the information over the phone. Use any major credit card, because the charge will be processed by the hotel and there is no credit card surcharge for this event.

You can also go online at SinglesGolf.com and print-out a registration form and fax it, toll free, to ASGA, or simply mail it to us.

If you're rooming with a friend, please try to get both registration forms in on the same day to make sure you're both registered.

How to Get There

Visit TheHomestead.com for information on getting there from any direction. One of the neatest ways we saw was taking a train ride from DC down to Clifton Forge, a beautiful ride through the Allegheny mountains. But if you fly, you'll want to fly into Roanoke Airport (ROA). A plane works best!

Those Silly Yellow Signs

They work! Many, many single golfers have heard about us because YOU took the time to post your yellow sign that comes with this newsletter. If you **need more signs** (like a few hundred for your chapter), let us know. Call 1-888-465-3628.

Or...Memorial Day Event on West Coast at Coeur d'Alene!

This resort has earned the *Golf Digest* 5-Star Award and is truly one of the most beautiful courses you'll ever play. They're famous for the par 3 floating green. When you hit the green, you'll take the Putter Boat ride over to the hole and finish out. As *Golf Digest* says, "it's not just an escape, it's an experience." This will be one course you'll tell your friends about for the rest of your life! For info on the resort, go to cdaresort.com.

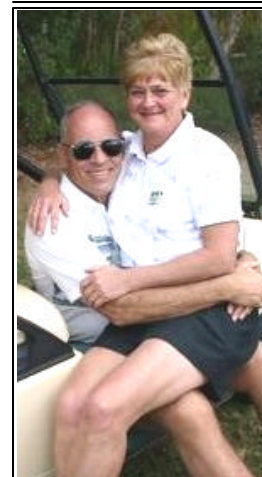

Coeur d'Alene is 32 miles east of Spokane. This package includes three night's stay, 2 rounds of golf, cart and range balls (into the lake!), sunset dinner cruise on Lake Coeur d'Alene, water taxi to/from resort, a forecaddie, 2 breakfasts, awards dinner, live music & dancing and club storage. Cost is \$599 per person based on double occupancy. Go to SinglesGolf.com for a registration form or call 1-888-465-3628 and we'll fax/mail one to you.

Our friend **Bob Toia** died unexpectedly in late February. Bob and **Betty Cox** were partners in life for the past 4-½ years and they attended just about every national event.

Please keep Bob in your prayers.
