## A Letter From The President

The newest first time chapter in the San Francisco Bay area, this chapter is growing despite the inclement weather of late. There are so many great courses and eager golfers in the large area that we feel like this chapter has the possibility of being the largest in the state once firmly established.

Please call Kathleen Bosell, President at 650-743-9493 or email her at [kbosell@yahoo.com](mailto:kbosell@yahoo.com) for more information on golf dates past and present.
