2nd - Pat Bingham
3rd - Brenda Powell
4th - Linda Wilson
Harriet and Pat won closest to pin

After golf we had a great lunch at the CORNERSTONE GRILL in the Tanger Shoppes which is so convenient to HHNATL. A good time was had by all!

We understand Pete Westphal is recovering nicely and is out of the hospital. Give him a call if you can, we hope he’ll be joining us soon.

The following info was left out of last month’s newsletter:
Six of our members attended the Jacksonville chap. event on AMELIA ISLAND in Aug. Many of them were on winning teams.

Those playing were: Helen Aitken, Edna Felix, Linda Williams, Jerry Ely, Peggy Garnier, and Bill Pearce. Linda Williams was on the winning team both days. On the 2nd day (scramble format) Helen Aitken’s team came in 2nd and she won closest to pin. Edna won 3 raffle prizes and Jerry was lucky enough to win one. It was a hot, humid weekend and Sat. round was interrupted for about 30 min. by a thunder storm and lightning and it threatened on Sun. but the round was finished just in time. I understand a GOOD time was had by ALL.

Keep Swinging,
~Pat Bingham

Want to Improve the Pace of Play?
By: Jack Pultorak, Director of Rules & Competitions, Florida State Golf Association

Here are a few tips that might help improve the pace of your next round.

1. **Don’t be the last one in the cart** – If you find yourself being the last one in the cart after each hole, you may be the problem. Try a simple thing like not putting your clubs in the bag until you get to the next tee or shot. Too many people waste time putting on a putter or club cover or trying to rearrange clubs in the bag. All of that can be taken care of at the next shot. Just jump in the cart with clubs in hand and ride to the next tee or shot; then go ahead and put on that club cover while your partner is hitting his or her next shot.

2. **Mark the scores at the next tee** – Once everyone in the group has holed out, go ahead and clear the green and head for the next tee. You’ll have plenty of time to count the strokes on the way to the next tee and then you can go ahead and record the scores on the scorecard.

3. **Position your cart or clubs as to be on the way to the next tee** – How many times have you seen someone finish a hole and then walk back across the green to go to their cart they’ve left on the other side of the hole only to drive back in front of the green? Make sure that you position your cart or clubs so that once you hole out you are walking to your cart or clubs and you’ll be able to drive or walk straight away.

4. **Leave any extra clubs where you’ll exit the putting green** – Everyone has an extra club or two that they may have needed around the green. Once you’ve chipped up or wedged out of that bunker, go ahead and walk over to near where you’ll exit the green and lay the clubs down. You won’t waste time walking back and forth to pick up the extra clubs after every putt.

5. **Drop from the water hazard and play – then go look** – If you hit one into a water hazard and you know you’re not going to play from the hazard, go ahead and drop a different ball (you are allowed to substitute a ball) and hit it. Then go back and take a look for the ball. If you find it; fine. This won’t hold up the rest of the group from playing while you’re looking.

6. **Play a provisional ball** – If you hit a ball and believe that it may be lost outside of a water hazard or out of bounds, go ahead and hit a provisional ball. This will save the time of coming all of the way back to where you hit your previous shot should you not find it.

Try a few of these simple tips and see if the pace of your next round doesn’t improve. If you can shave five or ten minutes off your round it will have a multiplier effect and the general pace of the whole course will improve.
