

SAVANNAH SINGLES GOLF

Savannah Chapter - American Singles Golf Association — November 2012

NEXT MEETING - TUESDAY, NOVEMBER 13TH

President's Comments

Hello ASGA members,
ASGA Savannah has voted and **Roger Wollschlager** has been elected as the 2103 President! Please make plans for next year to give Roger and the Chairs of the various committee's your support in all their endeavors. Remember that the November meeting will be held on November 13th at 6:30 and if you're able to attend, we'd sure like to have you.

And on the membership front, we're all proud that in 2012 we had **William Re-grut, Lisa Will** and now **Margaret Jordan** become the future of the organization. Our newest member, **Margaret**, has indicated her desire to attend the November meeting, so come on out and welcome her. Also at the November meeting, we'll decide on the December dinner meeting.

On a personal note, I've enjoyed my year as President and look forward to helping Roger continue the Savannah Chapter of the American Singles Golf Association.
~Russ

Golf Chair

Hello ASGA members,
Well fall is finally upon us with the cooler weather and the elections behind us it is time to go out and hit some balls. This month we are playing at a familiar course that is easy to get to in Savannah called the HAAF golf course or for you non-military types it is know as the Hunter golf course. Remember that you need insurance and vehicle registration and go through the Montgomery gate. I have put detailed instructions on meetup and so far it looks like there is only 4 of us so please let me know if you are coming.

Email me at rogerdean49@gmail.com or via meetup. See you on Saturday November 10th at 9:30 am
~Roger

Golf Ball in Bounds or Out

If a ball is touching the out of bounds stake, is it not out of bounds?

AND THE ANSWER IS...

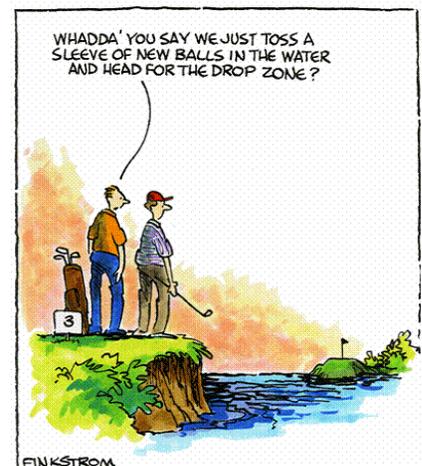

Here is a guide to where your ball lies with respect to different areas on the golf course

- A ball is in a bunker when any part of the ball touches the bunker.
 - A ball is in casual water when any part of it touches the casual water.
 - A ball is in ground under repair (GUR) when any part of it touches the GUR. If the GUR is defined by stakes, the stakes are in the GUR. These stakes are obstructions, so you will always get free relief if these stakes interfere with your shot (meaning interference with your stance or the area of your intended swing).
 - A ball is in a water hazard when any part of it touches the hazard. If the hazard is defined by lines, the lines are in the hazard. Therefore, if any part of your ball touches the line, the ball is in the hazard. When it is defined by stakes only, the stakes are in the hazard, and so is your ball if it touches the stake. When your ball is not in the hazard, the stakes are obstructions. You may remove them if possible and permitted; you get free relief if they are not removable. If your ball is in the hazard, there is no free relief from the stakes if they are immovable, but you may remove them if they are movable [Rule 24-1 and 24-2b, Note 1].
- A ball is on the putting green when any part of it touches the putting green.

But...

A ball is out of bounds (OB) when all of it lies out of bounds. If part of your ball is touching the OB line, and part of it is touching the golf course, it is not OB. If it is on the golf course, leaning against a stake, it is not OB. Stakes defining OB are not obstructions. They are what is called "fixed." You may not remove them. There is no free relief if any object that defines OB interferes with your shot (stakes, fences, walls, etc.).

Perhaps a better way to remember this is that a ball is on the golf course (not OB) if any part of the ball touches the course or any part of it overhangs the golf course.
