Re: Golf Outing for the \_\_\_\_\_ Chapter - American Singles Golf Association

Dear \_\_\_\_\_,

Per our conversation, I am faxing this note to confirm our club's golf outing at your golf course on:

Date: \_\_\_\_\_

First Tee Time: \_\_\_\_\_

I understand the cost per player will be \$\_\_\_\_\_ which includes

Green Fees

Cart

\_\_\_\_\_

We anticipate \_\_\_\_\_ players, who have been instructed to arrive at least one-half hour prior to the first tee time. Each person has made a commitment to our chapter that they will show-up at the designated time, however, I am required to inform you that we cannot guarantee each person will show. In addition, we would appreciate your allowing one additional tee time over and above the number allowed for above. This would allow us to accommodate those persons making last minute changes.

If these terms are acceptable to your course, please sign below and return fax this page back to me at

\_\_\_\_\_.

Thank You.
