June 29, 2019 Outing  
LuLu Country Club  
1720 Limekiln Pike, Glenside, PA 19038 (GPS Address)  
(215) 576-7030**

***LuLu was the first Pennsylvania course designed by Donald J. Ross, one of golf's greatest course architects. The course has many of his trademark features: sloping, sometimes short fairways; thick rough; tricky approaches; quick, subtly undulating, tiered greens; deep, often hidden bunkers, valleys, depressions and moguls; elevation changes; and visual illusions. The course is picturesque, in immaculate condition and fun for all skill levels.***
