***LuLu was the first Pennsylvania course designed by Donald J. Ross, one of the most famous golf course architects of all time. The course exhibits many of his trademark features: sloping, sometimes short fairways; thick rough; tricky approaches; subtly undulating, two-tiered, sloping greens; deep, sometimes unexpected bunkers, valleys, depressions or moguls; elevation changes; and visual illusions. The course is in immaculate and beautiful condition, picturesque and fun for players at all levels.***
