ASGA-DC Holiday Party 2021

Gaithersburg, Maryland

The DC chapter closed the year with a holiday party that even old Fezziwig could not top. The pot-luck celebration showcased dishes like stuffed mushrooms, kugel, quiche, sausage casserole and Nebraska stew. The dessert table was brimming with pies, chocolate cake, and cucidatis (Sicilian fig cookies). Copious bottles of beer and wines rounded out the meal. The pool-table saw plenty of action while Jinga tested the manual dexterity of anyone that took on the challenge. We received one unexpected but welcome guest, that jolly old elf from the north, Santa Claus.

Thanks to everyone that made party a success, especially **Francine** who secured the beautiful clubhouse. Please have a safe holiday season and hope to see everyone on the golf course next spring.

~Brian

Recap

The 2021 edition of the Turkey Shoot was a rousing success. No rain! No freezing temperatures! Great golf courses! New and old friends!

Indoor Exercises to Improve Your Golf Game this Winter

Golf is a beautiful game but it sure can be frustrating at times. To ensure a great game this Spring and so your skills don't rust while you're stuck indoors watching the snow pile up, here are some indoor exercises to try. Do one or do them all — they're designed to help you keep your special touch out on the links.

Exercise #1: Get Comfy With Yoga

Yes, we know: golf is your thing, not yoga. But the long, cold months of Winter have a tendency to cause stiffness in your body. That can limit your range of motion, which — guess what — will drastically undermine your ability to swing a golf club.

You don't have to go hog-wild with the yoga classes in order to enjoy the benefits of yoga. Even just 10 minutes a day can help improve flexibility and core stability. Check out YouTube for short, easy yoga routines that you can do in your living room.

Exercise #2: Do Some Carpet Putting

This one's a no-brainer. If there's one way to shave off a few points, it's to improve your short game — and if you're doing this at home, focus on putting. Chipping indoors might get you in trouble with your better half!

The nice thing about putting indoors is that carpet does a great job of simulating the green.

Exercise #3: Practice Loosening that Grip

Contact your local Pro Shop and book a session with a golf coach. Ask to focus on grip technique and they'll probably show you how to lighten up and loosen the tension in your hands and in your arms.

Then, you've got a few months to practice with your clubs indoors while watching TV.

One way to figure out how loose you should hold a club is to start from zero. The idea is to work up to the least possible tension necessary to keep from dropping the club. To do this, rest the club in the palms of your hands with proper hand position, only don't apply any muscle power in your grip. Now, tighten your grip only as much as is required in order to take a swing. That should relax the tension in your arms and shoulders, which can also improve your swing.

Exercise #4: Work on Your Muscle Memory With Heavier Clubs

Muscle memory is a term you'll hear often in the sports world. Athletes train

their bodies to 'remember' certain motions they need to excel in their sport. Golf is no different. That great swing you finally achieved late last summer? Your body can completely forget how it worked while you're sitting indoors all winter long.

That's where muscle memory comes in. Get out your clubs and clear a large space in your home. Work on your swing but use heavier clubs than you normally do. The body's muscle memory works better when you're using that extra weight.

A Few More Words of Advice

Finally, it can't ever hurt your game to hit the weights once in a while. Golf is a sport, after all, which makes you an athlete of sorts. All athletes can benefit from stronger muscles. For golfers, the glutes and abs are important for balance as well as power. So, the final words of advice: do squats and work on your core. Come next Spring, you'll be fit and ready to take on the world...or at least the golf course!

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$89.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised ***"Single? Play Golf?"*** sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.
Get the signs printed and get them hanging!
*(and remind others to participate)***

SINGLE? PLAY GOLF?

The Washington DC Chapter of the American Singles Golf Association WANTS YOU!

We're 2,500 members in 50 cities and we're ALL ABOUT HAVING FUN! So if you're single (*i.e. divorced, widowed, legally separated or never married*) and enjoy meeting others through the game of golf, you're invited to inquire about joining by calling the American Singles Golf Association at 1-888-465-3628 (*1-TRIPLE-EIGHT-GOLFMATE*) or visit SinglesGolf.com.

Meet MORE Singles! Play MORE Golf!

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask **"are you single?"** Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.

25 Business Cards Will Be Mailed to You Upon Request!

Front side of business card

The back side of the business card is a form with two lines for "ASGA Member" and "Call / Text". Below these is the text "When joining, please be sure to reference my name or member number on the application form. Thanks!". At the bottom, it provides the website "www.SinglesGolf.com/join" and the price "\$7.42/month payable annually".

COVID-19 Rules and Handicapping FAQs

The guidance below supplements a memo released by the USGA as to how the Rules of Golf and Rules of Handicapping apply in response to questions received from golf course owners, administrators, tournament organizers and golfers. As was noted in that memo, it is not the intended purpose of the below guidance to either encourage or discourage anyone from playing the game, but rather, in our governance role, to help golf course operators, committees and golfers better understand how the Rules of Golf and Rules of Handicapping apply to the various questions we have received.

The questions received fit into four main topics. In each of the four topics below, the guidance provided serves both to directly answer the questions asked as well as cover additional considerations that might also serve useful.

FLAGSTICK

May a course remove all flagsticks to minimize the possibility of exposing players to coronavirus?

May a committee introduce a code of conduct that does not allow players to remove (or even touch) the flagstick?

- The flagstick serves an important purpose in the game of golf – that is as an indicator to a player as to where the hole is located on the putting green or a target for shots.
- If a Committee decides to set-up a golf course without flagsticks, consideration should be given as to how best to support such a decision by providing players the location of each hole on the green. Whether this is general guidance (such as in the right front portion) or through a detailed hole-location sheet.
- As another means of minimizing exposure to players, a Committee might decide to introduce a code of conduct that prohibits players from touching or removing the flagstick. As is authorized under Rule 1.2b, such a code could also include penalties (such as one penalty stroke or the general penalty) if a player is in breach of its standards.
- Before a Committee decides to introduce such a restriction, it is recommended that consideration be given to the fact that removing the flagstick is an instinctual, even automated, act for many players. Drafting such a code of conduct to restrict only deliberate acts to affect the outcome of the hole would be reflective of that reality and would mean that a player who instinctually removes the flagstick would not get a penalty in doing so.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

BUNKERS AND BUNKER RAKES

We have removed all bunker rakes from our course to help stop the spread of coronavirus. What options do we have for players who end up in unraked areas?

- By removing rakes from the course, the Committee has various options as to how best to address the likely possibility of a player's ball coming to rest in an unmaintained area of sand and should consider which is the best approach under your unique circumstances.
- If you have limited play and most players at your course use a golf cart, the best approach might be to ask that each player takes a rake with them.
- If it is decided that no additional Rules will be put into effect to deal with these areas, it would be advisable to strongly encourage that players try their best to smooth the disturbed area with a foot or a club.
- Additional options could include changing the status of bunkers to be part of the general area. This would give players additional options under multiple relief rules (Rules 16 and 19) and would remove the restrictions normally in effect under Rule 12.
- Ground under repair could be used in two different manners. The first being to declare all bunkers to be ground under repair and treat them as part of the general area. This would allow players the option to take free relief outside the bunker under Rule 16.1. The second is to treat disturbed areas only as ground under repair. This would still allow a player free relief from such areas, but would require such relief to be taken elsewhere within the bunker.
- As a last resort, we have fielded questions as to whether a Committee may add a preferred local rule that would allow a player to place the ball elsewhere in a bunker without penalty (such as within one club length of where the ball came to rest). While that may seem like a good option in that it requires players to play from the bunker, there will be times when no effective relief would be available to a player, such as when a bunker is frequently played from and large areas are unraked. It would be recommended that the other options, such as those listed above are considered first, noting that using

the ground under repair options above ensure a player will get full relief and when dropping from knee height, balls very rarely plug.

- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

SCORECARDS AND SCORING

We are holding a competition, but want to limit how scorecards are exchanged both between players and after the round to the Committee. Do you have any recommendations?

- The Rules already allow numerous options to address these concerns noting that certifying a score does not require a physical signature, nor does it require a physical scorecard.
- If a Committee wishes to run a competition using a form of electronic scoring, this could come in many forms, such as asking that each marker send an email to the Committee and the player he or she is marking for, including the player's hole-by-hole scores. The player can then reply to verify the accuracy of the card.
- When electronic methods are used, such as the email example above or similar methods that involve text messaging, the Committee should decide when a scorecard would be considered to have been returned. For example, this could be when the player responds certifying that the scores are correct or some other action that the Committee might consider more appropriate.
- A Committee might also wish to employ the above method but also combine these with a physical scorecard by having the marker take a picture of the completed scorecard and either email or text it to the Committee using the same process described above.
- If physical scorecards are the preferred method, a Committee may wish to have the player and marker not exchange cards but rather verbally communicate the hole-by-hole scores to the Committee verbally in the scoring area. Additionally, verbal confirmation could be a substitute for the physical signature. As with the electronic scoring methods described above, the Committee should be diligent to clearly define when a scorecard has been returned, such as when a player leaves the golf shop if that is where the process takes place.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

MODIFICATIONS TO THE HOLE; NOT REQUIRING THAT PLAYERS HOLE OUT

A number of questions have been received that relate to modifying the hole so that players no longer need to reach into the hole to remove a ball to minimize the possibility of exposing golfers to coronavirus.

These have included some courses setting holes so that the hole liner remains an inch or two above the surface of the green while others have placed various objects into the hole or around the flagstick (such as foam pool noodles or plastic piping) so that a ball is unable to fall to the bottom.

While in all of these instances, the ball is not holed per the Rules of Golf (Rule 3.3c), a round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines (see Rule 3.3 of the Rules of Handicapping).

While the most likely score procedure is intended to support certain formats of play where the player is not required to hole out (such as in match play when the player's next stroke is conceded or in fourball stroke play when a partner picks up), it is also temporarily in effect where the above described safety measures are being used.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at the player's best judgment and should not be used to gain an unfair advantage.

This measure is temporary and in effect within the United States until advised otherwise by the USGA.

The above guidance will continue to be updated. If you have any questions or concerns, you can contact the Rules of Golf and Rules of Handicapping departments by going to www.USGA.org.
