

CELEBRATING 33 YEARS OF SINGLES GOLF® IN AMERICA

Tucson Singles Golf

Tucson Chapter - American Singles Golf Association — March 2025

FORTY NINER CC - MARCH 9TH

Message From the Chapter President

It's springtime in southern Arizona. March is a busy month. There is Mardi Gras, Lent, Daylight Savings Time (well, not for us), St. Patrick's Day, allergy season, and come the 20th, the first day of Spring. But spring-like weather has already arrived, and our golf courses are in beautiful shape. This month, Tucson welcomes the PGA Championship Tour's Colguard Classic to La Paloma Country Club. Many of us will be out watching the pros play, and some will be volunteering. I'll be there on the 8th as our group is playing on the 9th at Forty-niner's. We will also visit Del Urich later in the month, so if you've not signed up yet for either event, there's still time.

I am excited to share that the board approved the 2025 budget, which includes a springtime event. **Cindy Nelson** and I are working on a scramble and lunch gathering for April that will be a welcoming event for players of all levels. Stay tuned for more information in the coming weeks.

In honor of St. Patrick's Day, when the world dons some green attire and claims a wee bit of Irish blood..... "May the wind be always at your back" on the tee box and "May the sun shine warm upon your face"don't forget your sunscreen.

Thanks for being a wonderful group and making all our outings fun for everyone!
~Lyrae Williams, President

Rules of Golf Review: I love my lie, but I have to stand in ground under repair to hit the shot. Is that allowed?

By Ron Kaspriske, GolfDigest.com

You've probably seen golf tournaments on TV where a player opts to hit a shot off a paved cart path or has to stand on the cement because the lie is better than if the golfer took relief from the immovable obstruction. Play it as it lies is a fundamental aspect of the game.

Just last year, Mackenzie Hughes took his shoes off—seriously—believing he would have a better chance of gripping the hard surface of a cart path with his feet than in his spiked golf shoes. That's how motivated he was to play from a drain grate instead of tak-

ing relief. To be clear, as long as a ball is on the course and not in an area marked for mandatory relief like a no-play zone (think environmentally sensitive areas), you're entitled to play it. Sometimes taking free relief puts the ball in a better lie. Sometimes it doesn't.

You might wonder if you're allowed to do the same if your ball is in ground under repair or if your ball is outside the GUR area but your stance leaves your feet inside it. Maybe you like the lie, but there's the overall concern about doing further damage to an area that needs some TLC.

The answer: When it comes to ground under repair, *it's your choice*. Take relief or play your ball from that sweet lie ([Rule 16.1a](#)). You might make the damage worse to the GUR, but the superintendent is the only one who will probably take issue. Incidentally, the outside edge of the stakes or paint lines that mark the area are also considered ground under repair. If your ball, stance or area of intended swing is interfered with by this abnormal course condition and you decide to take relief, you must find the nearest point of *complete* relief from the ground under repair and drop your original ball or another ball clear from it and within one clublength of that point, not nearer the hole. There is no penalty.

Getting back to areas on the course marked as no-play zones, this is the one instance where you *must* take relief even if your ball is not in the zone but your area of intended stance or intended swing would be interfered with by the NPZ. If you're wondering how no-play zones are typically marked, the *Rules of Golf* doesn't designate a specific color of stakes or lines, but the following is recommended: Penalty area no-play zones should have red or yellow stakes with green tops. Abnormal course condition no-play zones should have white or blue stakes with green tops.

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$99.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.
Get the signs printed and get them hanging!
*(and remind others to participate)***

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two (2) pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask "**are you single?**" Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.
