

SOUTHWEST FLORIDA SINGLES GOLF

CELEBRATING 33 YEARS OF SINGLES GOLF® IN AMERICA

SW Florida Chapter - American Singles Golf Association - April 2025

FUN - FELLOWSHIP - FAIRWAYS

Message from the President

Hello everyone!!

As the season is winding down, our golf committee is winding things up for summer. Keep an eye out for the upcoming golf courses being scheduled for you.

I cannot stop thinking about the amazing, emotional win at the Masters Tournament this year for Rory McIlroy. It was certainly an edge of the seat last round performance. Cheering him on with fingers and toes crossed as I awaited his long overdue Masters win. Watching him taking his place in golf history as the 6th player to capture the career Grand Slam was so exciting. Congratulations Rory!!

It is with great pleasure I announce **Kathleen Chauvin** to the Board of Directors as our Social Media Chairperson. Kathleen will be focusing on our Facebook page, getting the word out for any social/Meetup events and posting pictures. Please forward your golf photos to Kathleen to post on Facebook. Welcome to the Board Kathleen, we are thrilled to have you.

As I pack to head back North, I want to thank everyone for your kindness, friendship and support. We have a wonderful membership and I enjoy seeing each one of you as often as possible. Even though I won't be physically here, I am available any time you need to get in touch, so please do not hesitate.

Enjoy your summer golf wherever that may be, and I look forward to reconnecting in the fall.

~Donna Gaines, SWFL ASGA President

Message from the Social Committee

Hi everyone,

I'd like to get opinions on the Christmas party. Attendance has been down a little as costs are rising; totally understandable. Would any of you consider moving it to late November to capture people before they head north for the holidays (that suggestion is selfish on my part). Another thought I had was having a "holiday celebration" in early January. We would hopefully have better attendance and might get a better deal on rental spaces and food. Just a thought

Great Moments from our Membership Social at the Center Bar!!

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$99.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.
Get the signs printed and get them hanging!
*(and remind others to participate)***

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two (2) pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask "**are you single?**" Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

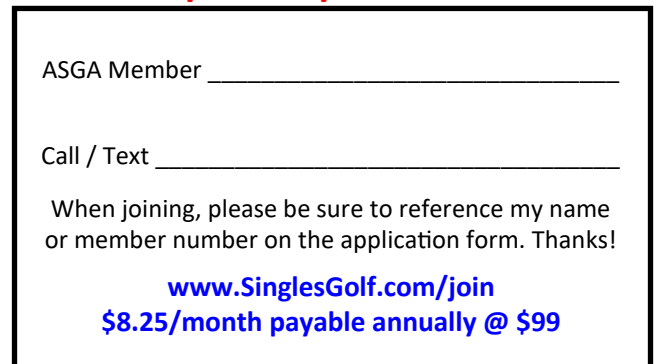

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.

Your chapter board will NEVER send you an email requesting funds by way of a gift card. Always, always use due diligence when responding to an email. See below “How to Protect Yourself”

Spoofing and Phishing

Spoofing

Spoofing is when someone disguises an email address, sender name, phone number, or website URL—often just by changing one letter, symbol, or number—to convince you that you are interacting with a trusted source.

For example, you might receive an email that looks like it's from your boss, a company you've done business with, or even from someone in your family—but it actually isn't.

Criminals count on being able to manipulate you into believing that these spoofed communications are real, which can lead you to download malicious software, send money, or disclose personal, financial, or other sensitive information.

Phishing

Phishing schemes often use spoofing techniques to lure you in and get you to take the bait. These scams are designed to trick you into giving information to criminals that they shouldn't have access to.

In a phishing scam, you might receive an email that appears to be from a legitimate business and is asking you to update or verify your personal information by replying to the email or visiting a website. The web address might look similar to one you've used before. The email may be convincing enough to get you to take the action requested.

But once you click on that link, you're sent to a spoofed website that might look nearly identical to the real thing—like your bank or credit card site—and asked to enter sensitive information like passwords, credit card numbers, banking PINs, etc. These fake websites are used solely to steal your information.

Phishing has evolved and now has several variations that use similar techniques:

- **Vishing** scams happen over the phone, voice email, or VoIP (voice over Internet Protocol) calls.
- **Smishing** scams happen through SMS (text) messages.
- **Pharming** scams happen when malicious code is installed on your computer to redirect you to fake websites.

How to Protect Yourself

- Remember that companies generally don't contact you to ask for your username or password.
- Don't click on anything in an unsolicited email or text message. Look up the company's phone number on your own (don't use the one a potential scammer is providing) and call the company to ask if the request is legitimate.
- Carefully examine the email address, URL, and spelling used in any correspondence. Scammers use slight differences to trick your eye and gain your trust.
- Be careful what you download. Never open an email attachment from someone you don't know and be wary of email attachments forwarded to you.
- Set up two-factor (or multi-factor) authentication on any account that allows it, and never disable it.
- Be careful with what information you share online or on social media. By openly sharing things like pet names, schools you attended, family members, and your birthday, you can give a scammer all the information they need to guess your password or answer your security questions.
- **Remember – If you are doubtful there's probably a good reason. If you're not sure, call to the person in your chapter who is supposedly sending the email.**
