

THE VILLAGES SINGLES GOLF

CELEBRATING 33 YEARS OF SINGLES GOLF® IN AMERICA

The Villages Chapter - American Singles Golf Association - May 2025

MAY 27TH MEETING - KENTUCKY DERBY NIGHT

President's Corner

What a fantastic evening! We were treated to a wonderful dinner, then entertained by our own members in the Lip Sync Battle (thank you **Pat McCullough!**). This effort by our volunteers is one of the reasons we have the best club in The Villages. Our volunteers, who coordinate the on-going activities, are constantly juggling to make sure every event runs smoothly deserve much more recognition than they get. We should never forget to thank them for their efforts. And last night's performers all volunteered their time and money to put on a great show. I know we all appreciate that, and I hope it gets more of our members to consider putting back something into the club.

Finally, that adorable baby in the picture is my grandson (born last month). It reminds me that joy can pop into my life at any age.
~Tom Tighe

Secretary

What are the odds: for the 50/50 at the April social, **Barb Celentino** won the second prize, then she drew her own ticket when she came up to get her initial prize!
~Isis Trasobares

New Members

Another month has passed and another great month for our chapter. Welcome **Charlotte OConnor, Barbara Cost, Lynn Murray, Beth Barkman** and **Bob Zuidgeest**. I know a few of you have already become involved by attending our April social. Hope to see the rest of you soon. We have lots of fun events. Check out the calendar. I want to also give a big thank you to **Freida Scott**,

Donna Porter and **Lois Schwartz** for referring so many to our club. If you see a new face, say hello. They are probably new to our group.

A new member orientation will be presented just prior to the May social. All activity chairpersons and members are welcome to attend. An invitation will be sent to all new members.

May 27 Kentucky Derby Night at the Races

The next ASGA monthly social meeting is at Rohan Recreation Center. Doors open at 5:30 P.M. for gathering and mingling with members. It is a fun event and provides a setting for members to greet folks that they don't see on the golf course. The business meeting begins at 6:00 P.M. As always, look for the official announcement. Be sure to purchase your ticket by May 14 to take advantage of our members only early bird special pricing of \$25. After the 14th, tickets will be \$30 for members and \$35 for guests. You are encouraged to invite a guest to introduce them to the Club. Dress attire: Kentucky Derby. There will be no drawing this month for costume participants.

Dinner will be cafeteria style and includes subs from Publix: Turkey, Italian, Ultimate, and Veggie; veggie and fruit trays; chips and dessert. Use US currency to purchase play money at the Money Exchange Booth; paper money is equal to real money. Each \$1.00 of play money will purchase one racing ticket. Maximum wager on each horse per race is \$5.00. The event will have six races with six horses. There will also be a betting board. Good Luck.

~ASGA 2025 Social Committee:

*Sharon Ostgaard – Chair; Steering Committee –Charlene Barton,
Gary Carson, Allen Edmison, Sharon Hill, and Jack Parker*

**PLEASE VOLUNTEER. WE NEED
YOUR HELP TO RUN OUR CHAPTER.**

WEBSITE COORDINATOR

David Silverman took videos of all the performances from the April social and has posted them on YouTube. If you would like to relive the festivities, or if you missed it, go to:

<https://www.youtube.com/watch?v=XnrRMRevx7I>

Each performance is time stamped. The time stamps are in the video description so if you want to see a specific performance, you can select it from the chapter's listing. Also, if you select the closed caption option (the button that says CC), you can see the words. It's not very accurate for the songs, but it's great for the spoken acts. If you like the video, please click on the thumbs up option and feel free to comment. It was a wonderful evening enjoyed by all who attended.

Many, many thanks go to **Sharon Ostgaard** and her social committee and especially to **Pat McCullough** who coordinated all the lip sync acts.

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$99.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.
Get the signs printed and get them hanging!
*(and remind others to participate)***

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two (2) pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask "**are you single?**" Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.

25 Business Cards Will Be Mailed to You Upon Request!

The back side of the business card is a form with the following fields: "ASGA Member" followed by a blank line, "Call / Text" followed by a blank line, and a paragraph: "When joining, please be sure to reference my name or member number on the application form. Your chapter board will NEVER send you an email requesting funds by way of a gift card. Always, always use due diligence when responding to an email. See below “How to Protect Yourself”

Spoofing and Phishing

Spoofing

Spoofing is when someone disguises an email address, sender name, phone number, or website URL—often just by changing one letter, symbol, or number—to convince you that you are interacting with a trusted source.

For example, you might receive an email that looks like it's from your boss, a company you've done business with, or even from someone in your family—but it actually isn't.

Criminals count on being able to manipulate you into believing that these spoofed communications are real, which can lead you to download malicious software, send money, or disclose personal, financial, or other sensitive information.

Phishing

Phishing schemes often use spoofing techniques to lure you in and get you to take the bait. These scams are designed to trick you into giving information to criminals that they shouldn't have access to.

In a phishing scam, you might receive an email that appears to be from a legitimate business and is asking you to update or verify your personal information by replying to the email or visiting a website. The web address might look similar to one you've used before. The email may be convincing enough to get you to take the action requested.

But once you click on that link, you're sent to a spoofed website that might look nearly identical to the real thing—like your bank or credit card site—and asked to enter sensitive information like passwords, credit card numbers, banking PINs, etc. These fake websites are used solely to steal your information.

Phishing has evolved and now has several variations that use similar techniques:

- **Vishing** scams happen over the phone, voice email, or VoIP (voice over Internet Protocol) calls.
- **Smishing** scams happen through SMS (text) messages.
- **Pharming** scams happen when malicious code is installed on your computer to redirect you to fake websites.

How to Protect Yourself

- Remember that companies generally don't contact you to ask for your username or password.
- Don't click on anything in an unsolicited email or text message. Look up the company's phone number on your own (don't use the one a potential scammer is providing) and call the company to ask if the request is legitimate.
- Carefully examine the email address, URL, and spelling used in any correspondence. Scammers use slight differences to trick your eye and gain your trust.
- Be careful what you download. Never open an email attachment from someone you don't know and be wary of email attachments forwarded to you.
- Set up two-factor (or multi-factor) authentication on any account that allows it, and never disable it.
- Be careful with what information you share online or on social media. By openly sharing things like pet names, schools you attended, family members, and your birthday, you can give a scammer all the information they need to guess your password or answer your security questions.
- **Remember – If you are doubtful there's probably a good reason. If you're not sure, call to the person in your chapter who is supposedly sending the email.**
