The Villages Chapter - American Singles Golf Association - April 2026

SPRING SOCIAL - APRIL 28TH

President

Wow it's April so spring has finally arrived, the birds are singing and flowers will be blooming. Looking forward to spring golf. Let's all strive to improve our Pace of Play! Plan your shot before you get to your ball. Once you are off the tee, think ahead. Focus on your game. Determine your yardage and make your club selection before it is your turn to play. Very often, you can do this while others are playing, without disruption. Always have a spare ball handy. May your drives find the middle of the fairway, your approach shots land close to the pin and your putts go in for a birdie!

New Members

I definitely can tell you that the weather is way too nice to be laid up with a broken ankle. I miss golfing with all of you and miss extending hellos to our new members. Thanks to everyone who took up the slack for me at the Orientation. This month give an ASGA welcome to new members **Dennis Hanson, John Foley, and Terri Hession**. If you see a new face, say hello. They MIGHT be new!! Hope to be out swinging a club soon.

SOCIAL CHAIR

March 24 DANCE LESSONS SOCIAL

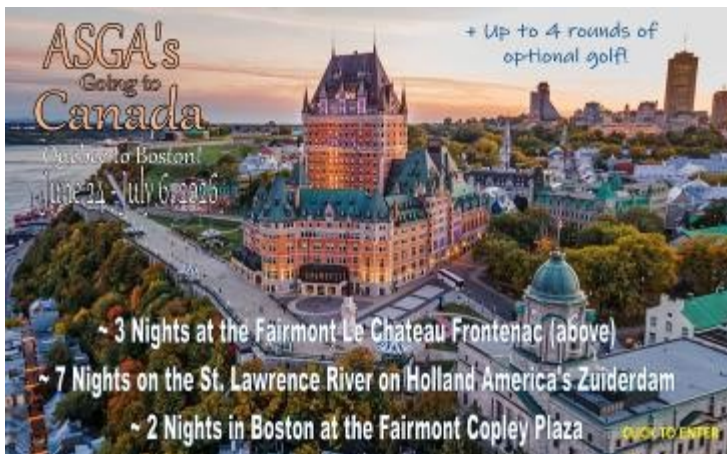

A belated Saint Patrick's Day was celebrated in style at the March 24 Social. The DIY salad bar with shrimp and chicken was a hit. The Limerick Contest filled the room with laughter throughout dinner, where members recited a limerick to their tablemates and then shared each

table's best limerick with the audience-at-large which was a hoot. Many thanks to **Diana Beavers** for coordinating this event along with her team of volunteers.

The evening's entertainment was 2 different sets of dance lessons by professional dance instructors at The Villages Rec Centers. In the first session, Diane Ellis taught several basic line dances to upbeat contemporary music. Diane's joyful teaching style got the audience moving and grooving in an energetic fashion. Maria and Joe Urbanic then taught the second session of country partner dance lessons. They first instructed us on one of our old favorite dances The River Waltz. Then they wrapped up the evening's dance lessons with The Barn Dance. Moving in concentric circles traveling in opposite directions was very interactive. Everyone danced with everyone. If you would like to continue with more dance lessons by these wonderful instructors, then please feel free to contact them directly.

We Care Program

Hello from WeCare/Sunshine. At the start of this year of 2026, I just want to remind you that we send "get well" and "sympathy" cards to ASGA members when the need arises. We just want members to know we care. Also, we are trying a new practice of

sending a card to members that we used to see on the golf course and are no longer joining us for golf. We will send a card to tell them they are welcome to join us for lunch after any of the golf outings. Any thoughts on this idea?? Please help me by sending any names for cards to be sent. Please email the info, name, etc. to villagesasga@gmail.com or text 972-689-5589. You can also email to joanspires@yahoo.com, subject ASGA

Rules of Golf Review: What happens when someone tending the flagstick deflects your ball from going in?

By Ron Kaspriske, GolfDigest.com

A great rule change back in 2019 was when the USGA and R&A decided you could leave the flagstick in the hole when your ball is on the putting green. Back in the dark ages, striking the flagstick with the ball when on the putting green was a penalty (two strokes in stroke play or loss of hole in match play).

The new rule speeds up play, and we're all for that. However, there is one important catch to [Rule 13.2](#): You have to decide whether you're leaving the flagstick in or having it removed before you make a stroke. You can't, for instance, have your caddie run up to the hole and pull the flag while your ball is in motion because you think it would go in if you made the last-second decision change. And you also can't run up and re-insert the flag if you think it will deflect and stop your moving ball from, say, rolling off the green.

Now here's where things can get awkward.

What if you do everything right and the

flagstick still comes into play? Let's say you ask your match-play opponent to tend the flagstick with the understanding that as soon as you strike the ball, your opponent will pull the flagstick out of the hole and clear out of the way (which is still fine according to the rules). It's a casual weekend match so you're opponent agrees and holds the flag at arm's length waiting for you to putt.

As you hit the putt, your opponent tries to remove the flag but it's stuck. He pulls and pulls but it won't come out. Meanwhile, your ball is tracking right toward the cup. At the last second, he's able to free the stick from the cup, but the ball strikes the bottom of the stick and caroms away from the hole.

What do you do now? Are you penalized? Is he penalized? Is no one penalized?

The answer is ... it depends on intent.

If it was an accident, there is no penalty and the ball must be played as it lies. If your opponent was only pretending that the stick was stuck in the hopes it might interfere with your putt, that is a violation of [Rule 11.2](#) (ball in motion deliberately deflected or stopped by person). Your opponent would lose the hole. If it were stroke play, your playing partner would be assessed a two-stroke penalty and the stroke would be cancelled. You'd get to putt again.

The thing is, there are a lot of little nuances to removing the flagstick or leaving it in that you might want to know. For example, what if you decide to leave the flagstick in and then another player in your group, not authorized by you, removes the stick while the ball is in motion? There is no penalty as long as there was no chance the flagstick would have impacted the putt or if that person was unaware you were about to putt or that the ball was in motion.

Also, if you wanted the flagstick in but your caddie or partner didn't get the memo and pulled it while the ball was in motion, there would be no penalty to your side if that person was convinced your ball would not have hit the pole before coming to rest.

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$99.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two (2) pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask "**are you single?**" Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.
