

# PINEHURST SINGLES GOLF

CELEBRATING 34 YEARS OF SINGLES GOLF® IN AMERICA

Pinehurst Chapter - American Singles Golf Association — April 2026

## TEE IT LOW AND LET IT GO!!!

### From the Prez

Spring is here!! The Vernal Equinox has passed as the daylight hours increase, as do the temperatures. The world is coming back to life as we see flowery blooms, greener grass and the deciduous trees enhancing the green season. Easter is here so there will be chocolate rabbits and eggs galore. We also have Earth Day which coincides with Administrative Professionals Day (I did not make that up - I don't think that Hallmark has any cards to celebrate that day - so it must have been the government.) I'd be remiss if I failed to mention April Fools Day. I don't hold much stock in that as I believe in being a "Man for All Seasons" and not limiting myself to just one day. Many of you will back me up on this, I'm sure.

There's a lot happening all around us this Spring.

The courses at Foxfire and CC of Whispering Pines have been undergoing maintenance upgrades after being purchased by the Pine Needles group. They now have 7 courses in their collection. Pine Needles

GC, Mid Pines GC and Southern Pines GC are all focusing on the resort trade and greens fees at those venues will be more than a trifle higher than we shall pay.. We're hoping to visit these courses in the "off seasons". Whilst that didn't happen this Winter, we're moderately optimistic about the coming year.

The same has been true for Talamore GR, the Club at Mid South and The Legacy GL. We did manage some tee times this Winter and, when Mother Nature interfered, the management was very cooperative and we were able to negotiate more tee times. We'll be checking to see what the Summer rates will be.

Pinewild CC is undergoing construction on a new clubhouse so, amid the turmoil, we'll have to "feel" our way around the temporary parking, clubhouse, pro shop etc.. The courses themselves are fine. Beacon Ridge GC has also had an upgrade in their conditioning, which we shall be checking out shortly.

Midland CC's newly renovated greens seem to be coming around nicely as are those at The Woods.

The District of Columbia's Chapter will be coming to Pinehurst this June, playing Talamore on the 16th and The Legacy GL on the 15th. We have shared Mountain Trips with them and have found them to be most enjoyable both on and off the fairways. They have invited us to play with them and/or dine with them. We shall know what fees we would have to pay to infiltrate their ranks.

But wait!! that's not all!! The Asheville Chapter is coming down at the end of June and has opened the door for us to play a round or two with them also. They will be coming at the end of June. We had several of them play with us on one of our mountain trips and we had a great time.

Speaking of trips - we shall be going to Myrtle Beach this Autumn. We'll be staying at the Brunswick Plantation where we have gone before. The accommodations are excellent and the pricing is good. The situation is a trifle tenuous as they are booking up rapidly and won't hold reservations for us unless we make a deposit up front. I have checked some other resorts and the

tune is the same - they're filling up rapidly. So, there will be an invitation for a Beach Trip coming out soon with an up-front deadline.

Please thank your officers for volunteering their talents and efforts for you.

**From the Fairways**

No Handicap Chair yet, so no games other than Closest to the Pin. Hasn't mattered as we haven't had much of a turnout except for Hangover Invitational. Of course Mother Nature dropped 8 inches of snow on the courses making them unplayable. Who ticked Her off?

Meanwhile, with the far more pleasant weather we've recently enjoyed, we've had better turnouts. That's eggsactly what the Easter Bunny ordered.

We've had some outings that were most enjoyable.

**7 Lakes GC** - A balmy, yet nice day to play. (Well, they are all nice to play, but some are better than others.) The course was pretty in fair shape for an early Spring day. It was good to see **Susan** and **Bobbi** join the frolicking on the fairways. **Jeryl** took the Closest to the Pin in the Ladies Division, but the guys failed to get any shots on the green. Oh, the shame!!!

**The Woods GC** hosted us for a 9 hole outing. The greens were as good as we've seen them for the last few years. **Joe Catanzaro** snatched the CTP honors.

**The Legacy GL** - Back to our favorite venue where we started on the back nine again - the first shot of the day over, or around, the water. Several ended up on the hill to the left, but dry. **Mike Hunter** made the journey down to enhance the ambience as did Lois, from a trifle closer. This was also the first time we met our newest member, **Elaine**, who brought her friend, Darrick Bradley. Elaine does spank her drives and is a delight to play with. **Jeryl** and **Tom Carrier** took the CTP accolades.

**Midland CC** - We had a small turnout with a forecast for chilly and cloudy conditions. Wrong, again!! **Michelle**, **Peggy** and I had a fine time in comfortable conditions. **Peggy**

got the round off well with a par on the initial hole. We also played in well under 2 hours - thanks, Ladies.

We tackled the **Red Fox course at Foxfire GC**. The course is enhanced by better maintenance under the new owners. Joe Catanzaro started the day with not one, nor two, but three pars. For those who haven't been embarrassed by the uphill and watery 2nd and 3rd, more uphill and watery holes, **Joe** accomplished a notable feat. One of **Joe's** playing partners, **Martez**, followed up with back to back pars on the well bunkered 8th and the roly poly par five 9th. The CTP crowns went to **Jeryl** (This is looking like a good habit, **Jeryl**.) and **Robert**. Congrats!!

**CC of Whispering Pines** - Victory for Mother Nature

**Longleaf G&FC** - Warm weather, good conditions greeted us, (well, OK, they didn't really "greet" us, but they were self evident) for another of our favored courses. **Robin** made the trip down and **Phyllis** added her charm to the festivities. **Jolly** took the CTP crown for the Ladies whilst **Marcus** did likewise for the Gents.

**Longleaf G&FC** hosted us for 9 holes where we were entertained by the effervescent **JoAnn**, who is bringing her game out of the mothballs. She did hit some pretty fair shots. **Peggy** had a par and struck some very fine shots. However, the day belonged to Lynn. (Presume a drum roll.) **Lynn** began the day with a par and ended the day with a par for "bookends". "So what?" you may ask. You may well - **Lynn** had her best 9 hole score EVER!!!! CONGRATULATIONS, Lynn!!!!

As always, we encourage your comments, criticisms, suggestions etc.

Words of Wisdom - It is not merely more exciting to go for it than to lay up, or shoot the gap, but far more rewarding when we're successful.

## Rules of Golf Review: What happens when someone tending the flagstick deflects your ball from going in?

By Ron Kaspriske, GolfDigest.com

A great rule change back in 2019 was when the USGA and R&A decided you could leave the flagstick in the hole when your ball is on the putting green. Back in the dark ages, striking the flagstick with the ball when on the putting green was a penalty (two strokes in stroke play or loss of hole in match play).

The new rule speeds up play, and we're all for that. However, there is one important catch to [Rule 13.2](#): You have to decide whether you're leaving the flagstick in or having it removed before you make a stroke. You can't, for instance, have your caddie run up to the hole and pull the flag while your ball is in motion because you think it would go in if you made the last-second decision change. And you also can't run up and re-insert the flag if you think it will deflect and stop your moving ball from, say, rolling off the green.

Now here's where things can get awkward.

What if you do everything right and the flagstick still comes into play? Let's say you ask your match-play opponent to tend the flagstick with the understanding that as soon as you strike the ball, your opponent will pull the flagstick out of the hole and clear out of the way (which is still fine according to the rules). It's a casual weekend match so your opponent agrees and holds the flag at arm's length waiting for you to putt.

As you hit the putt, your opponent tries to remove the flag but it's stuck. He pulls and pulls but it won't come out. Meanwhile, your ball is tracking right toward the cup. At the last second, he's able to free the stick from the cup, but the ball strikes the bottom of the stick and caroms away from the hole.

What do you do now? Are you penalized? Is he penalized? Is no one penalized? The answer is ... it depends on intent.

If it was an accident, there is no penalty and the ball must be played as it lies. If your opponent was only pretending that the stick was stuck in the hopes it might interfere with your putt, that is a violation of [Rule 11.2](#) (ball in motion deliberately deflected or stopped by person). Your opponent would lose the hole. If it were stroke play, your playing partner would be assessed a two-stroke penalty and the stroke would be cancelled. You'd get to putt again.

The thing is, there are a lot of little nuances to removing the flagstick or leaving it in that you might want to know.

For example, what if you decide to leave the flagstick in and then another player in your group, not authorized by you, removes the stick while the ball is in motion? There is no penalty as long as there was no chance the flagstick would have impacted the putt or if that person was unaware you were about to putt or that the ball was in motion.

Also, if you wanted the flagstick in but your caddie or partner didn't get the memo and pulled it while the ball was in motion, there would be no penalty to your side if that person was convinced your ball would not have hit the pole before coming to rest.

**ASGA Annual Dues are \$99.00. Do you want LOWER DUES?**

# **HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?**

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

## ***Here's the plan:***

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.  
Get the signs printed and get them hanging!
