

ASGA-Denver 2024 Multi-Chapter Event (MCE)  
INFORMATION SHEET - *Updated*  
“ROCKY MOUNTAIN HIGH – FAIRWAYS TO HEAVEN 2024”

On behalf of ASGA Denver Chapter, we look forward to hosting participants from across the United States in beautiful Rocky Mountains at Winter Park! We look forward to sharing lasting memories with you. Here are some tips regarding this event as you are planning your travels:

**Transportation** – Winter Park is located 87 miles from Denver International Airport (1 hour 45 min) via I-70, 228 miles from Grand Junction Airport (3 hours 40 min) via I-70. You will need to check for shuttle information from the airport.

If you are planning to arrive Friday, expect heavy mountain weekend traffic (Friday afternoon – Sunday afternoon) leaving DIA and returning to DIA can cause travel delays.

Travel times assume light traffic. Denver rush hour traffic on I-70 starts at about 3:00 PM and ends between 6:00 and 6:30 PM. Add another 30-45 minutes to your drive time. Hotel check-in times are from 4:00 pm with check out at 11:00 am.

The easiest means of transportation from either Denver or Grand Junction is to rent a car. Having a rental car will allow members to get to and from the golf courses as well. Generally, the golf courses are between 25 to 35 minutes from the hotel. The City of Winter Park provides regularly scheduled shuttles to and from the hotel to downtown Winter Park, the hotel lobby will have the schedules.

### ***Additional things to bring or think about.....***

Water will be provided at most of the golf courses but either way you will want to keep hydrated. 'Don't even THINK about being in the mountains without a water bottle! Plan on overindulging in WATER!!! Altitude sickness is a real thing and can ruin your experience in the Rockies.

Bring both sunscreen and a jacket as the weather changes extremely quickly up in the mountains. We had some people with sunburn and altitude sickness last MCE in the mountains.

Dress in the mountains is casual but plan on layering, it will still get cold in the early morning and/or at night.
