

Asheville ASGA

Cancellation Policy – Golf Events.

- Several golf courses in our area have adopted a policy for the cancellation of tee times or dropping a player off a tee time.
 - In some cases, they charge the fee for the round if you cancel or drop a player less than 24 hours before the day of tee time.
 - They do have exceptions for illness or injury but saying that it looks like rain, or raining at my place, or my sister is adopting a dog are not excuses that they will accept.
- Since the club will be responsible for charges, a signed-up member and/or guest will be charged the required fee where this is implemented.
- Make sure to read all the details about an outing posted on the chapter website prior to the date of the event to make sure you are aware of a potential charge.
